Notice of redundancy

Dear Leah,

Further to our consultation discussions held on 18 February 2026 and 02 March 2026, and following careful consideration, I write to confirm that, with regret, your role of Operations Manager, Network South, is being made redundant as part of the Company's restructure of the Network Operations function (Programme "Compass"). The Compass programme was approved in principle by the Board at its meeting on 28 January 2026, with implementation cascaded to the Operations Leadership group on 04 February 2026 and confirmed in detail by the Board on 11 February 2026. Your dismissal is by reason of redundancy.

Termination date and notice

Your last day of employment will be **04 June 2026**, being three (3) calendar months from the date of this letter, in line with the contractual notice period at clause 21 of your Contract of Employment.

You will not be required to attend the office or any operational site during your notice period; you will be on Garden Leave from the date of this letter, in accordance with clause 19 of your Contract of Employment. During Garden Leave you remain an employee of the Company and continue to be bound by your contractual duties, including confidentiality, the duty of fidelity, and the recording policy at clause 16. For the avoidance of doubt, clause 16.1 provides that:

"You shall not record, by any means (including any audio, video, screen-capture or transcription tool, whether on a Company-issued or personal device), any meeting or conversation with another employee, contractor, Customer, supplier or other third party connected with the Company, without (a) the prior written agreement of all parties present, or (b) the prior written authorisation of the HR Director or the Chief Operating Officer." Clause 16.2 confirms that the making, retention or disclosure of any such unauthorised recording is treated by the Company as a serious matter and may, depending on the circumstances, amount to gross misconduct (and is so categorised at clause 22 of the Contract).

Your Company laptop, mobile phone and ID pass should be returned to Sarah Brentwood by close of business on 06 March 2026.

Selection

The selection criteria applied across the Network Operations leadership cohort were skills, experience, performance, and conduct. The criteria were applied to all four (4) post-holders in the leadership cohort. As a result of the application of those criteria, you have been identified as the affected employee.

Right of appeal

You may appeal this decision in writing within seven (7) calendar days of the date of this letter. Your appeal should set out the grounds of appeal and be addressed to me, marked "Strictly Private and Confidential". The appeal hearing will be chaired by a member of the Executive who has not been involved in the matter to date.

Support during your notice period

The Company will provide reasonable support to you during your notice period, including: (a) access to the Health Assured employee assistance programme until your final day of employment; (b) outplacement support via Renovo, up to a value of £1,200; (c) a mutually-agreed neutral reference, in the form attached to any settlement we may reach.

We would like to thank you for the contribution you have made to Granthorne over the past three years. We are very sorry to be writing this letter and we will do what we reasonably can to help you through the transition.

Yours sincerely,

K Westwood
